R.C.E Bhopal.

## ACKNOWLEDGEMENT

The present study " A Study of Reading Attainments of Dyslexics " is an innovative study . It is pleasure and privilege for me to express my gratitude to shri I.B. Chughtai who has guided me both as a scholar and guide. He is hard task master and to work with him is really a thing of joy . I owe gratitude, and regard for his generosity and upright manners. The present thesis be are testimony of it.

I am extremely grateful to Prof. P.K. Khanna, Principal, Regional College of Education, Bhopal, for providing leadership and building in a learning environment in the college.

I am also indebted to the library staff of the R.C.E. Bhopal for extending library facilities and helping in locating reference material.

I am highly grateful to Prof. B.R. Goyal, Head & Dean of instruction , R.C.E. Bhopal, for their kind and sympathetic attitude, valuable criticism , and constant encouragement given to me right from the planing of this work throughout the progress of investigation.

DR. I.D. Gupta and Shri A.C. Pachaury deserves my grateful thanks for their encouragement and help.

I am thankful to the head masters, principals and teachers who were kind enough to offer me full cooperation in the collection of adequate and precised data. I also express my thankds to the students of various investigations who have been subjects in the study.

Above all I owe my sincere moral gratitude to my parents and other family members for being perennial source of inspiration to me.

Thanks

Miss Permina Kumari Bhargawa

M.Ed. Student,

R.C.E., Bhopal.
