all other faculty members of Department of Education, for their time to time support.

My very special thanks go to Dr. P.K. Tripathy, Librarian, and all the staff of the library who rendered all kinds of possible support by proving source material for completion of my research study.

I, also, thank my classmates who remained as a source of inspiration to me at all the time which may is in the form of positive reinforcement, without whom I could not have accelerated time to time for successful completion of this work. It would be unfair if I do not take name of them. They are Jaya Rajani, Firoza Khan, Gajendra Singh, Rahul Tiwari, Premlata Rajak, Kiran Prajapati, Vijaya Thotekar and Sangeeta Patel of M.Ed.

I, also, very much grateful to Sh. Harish Prasad, Head Master, DMS, RIE, Bhopal and all his teaching and non-teaching staff for allowing me to conduct the experiment in the school.

Last but not the least, I would like to dedicate my small piece of work to those children who are students of DMS, RIE, Bhopal who are taken as sample under my studies.
