

*A Study of Classroom Environment,
Achievement Motivation &
Attitude towards Mathematics*

D- 158

**Dissertation Submitted
to Barkatullah University
In Partial Fulfilment of M.Ed. (Ele.Edu.)
2002-2003**

Guided by
Dr. K.K. Khare

Submitted by
Ekta Choudhary

**RIE (NCERT) Shyamla Hills
BHOPAL-13(M.P.)**

Certificate

This is to certify that research project report entitled, "**A Study of Classroom Environment, Achievement Motivation & Attitude Towards Mathematics**", Being submitted by **Ms. Ekta Choudhary** student of RIE, Bhopal for award of M.Ed (**Elementary Education**) from Barkatullah University is a record of bonafide research work carried out by her. The candidate has worked under my guidance and supervision and has fulfilled the requirement for the submission of this report, which to my knowledge has reached the requisite standard.

The results contained in the dissertation have not been submitted in part or in full to any other University & Institute for the award of any degree or diploma.

(**Dr. K.K. Khare**)

Reader, Education
Deptt. of Education,
RIE, Bhopal.

Acknowledgement

I wish to express my appreciation and heart felt gratitude to my reverend and profoundly learned guide Dr. K.K. Khare who initiated and guided me into the present study and instilled in me, deep interest in the field his patience, timely assistance and sensitive critique and encouragement that stimulated to work hard.

I am grateful to Prof. S.A. Shaffi, Principal, and Prof. A. Grewal, Dean and Head, Deptt. of Education, RIE, Bhopal for their generous help during various stages of this study.

The most humble thanks are expressed to Dr. U. Laxmi Narayan, Reader and Mr. P.K. Tripathi, Librarian for their help and co-operation.

I also take the opportunity to extend my thanks to A. Srikant M/s Alpha Computers for typing and editing of the report.

Last but not the least I wish to extend my sincere thanks to Principal, Staff & Subjects who has given constant support.

List of Tables

Chapter I. Introduction **1-14**

- 1.1 Concept of Classroom Environment
- 1.2 Assessment of Classroom Environment
- 1.3 Achievement Motivation : Meaning and its assessment
- 1.4 Statement of The Problem
- 1.5 Need and Significant
- 1.6 Definitions of the Term used
- 1.7 Delimitation of the Study

Chapter II. Review of Related Literature **15-25**

Chapter III. Design of the Study **26-33**

- 3.1 Sample
- 3.2 Tools and Techniques
- 3.3 Administration of Tests
- 3.4 Scoring
- 3.5 Statistical Techniques
- 3.6 Objectives of the Study
- 3.7 Hypothesis

**Chapter IV. Analysis of Data and Interpretation
of Results** **34-42**

**Chapter V. Summary, Conclusions and
Recommendation** **43-46**

Bibliography **47-49**

Annexure

List of Tables

- 3.1 The schoolwise sample distribution
- 4.0 Analays of variables of mean scores of different categories of classroom environment on achievement motivation.
- 4.1 Analays of variables of mean scores of different categories of classroom environment on achievement motivation.
- 4.2 Analysis of Variance of mean scores of different categories of attitude towards mathematics on achievement motivation.
- 4.3 Analysis of Variance of mean scores of different categories of attitude towards mathematics on classroom environment.
- 4.4 Analaysis of Variance of Mean Scores of Different Categories of Achievement Motivation on Classroom Environment.
- 4.5 Analysis is of variance of mean scores of different categories of achievement motivation on classroom environment.
- 4.6 Coefficient of Correlation Between Classroom Environment and Attitude Towards Mathematics.
- 4.7 Coefficient of Correlation Between Classroom Environment and Achievement motivation.
- 4.8 Coefficient of correlation between attitude towards mathematics and achievement motivation.
- 4.9 Comparison of mean between urban and rural students in respect of classroom environment.
- 4.10 Comparision of mean between urban and rural students in respect of their perception about attitudde towards mathematics.
- 4.11 : Comparision of mean between urban and rural students in respect of their perception, about achievement motivation.
