CERTIFICATE

This is to certify that the dissertation entitled **A study of challenges faced by the Science Teachers in implementing ICT at upper primary level** submitted by HITESH a student of M.Ed. course in the year 2020-2022 at Regional Institute of Education, NCERT, Bhopal is an authentic record of research work carried out under my supervision and guidance. This dissertation has reached the standard of fulfilling the requirements of the regulations relating to the nature of the M. Ed. degree.

The result embodied in the dissertation has not been submitted for the award of any other degree or diploma elsewhere.

Dr. Sanjay Kumar Pandagale

Associate Professor in Education,
Regional Institute of Education, NCERT, Bhopal

Acknowledgment

I take this opportunity to express my gratitude to my guide **Dr. Sanjay Kumar Pandagale**, Associate professor, Department of Education, Regional Institute of Education, NCERT, Bhopal who helped in the execution of this study. I thank him for valuable advice, continuous help, inspiring guidance, and encouragement in the completion of the study. I owe gratitude and regard for his generosity.

I am indebted to **Prof. Jaydeep Mandal**, Principal of Regional Institute of Education, **Prof. Ramesh Babu**, Dean of Research, and **Prof. Ratnamala Arya**, Head, Department of Education, Regional Institute of Education, for their inspiring cooperation and for providing enough learning facilities, educational environment in the campus.

I would like to thank **Prof. I. B. Chughtai**, **Prof. Nidhi Tiwari**, **Dr. N. C. Ojha**, **Dr. Sourabh Kumar**, **Dr. Nilima Tirki**, and all other members of the education department who helped in the completion and for all the support and guidance. They helped in giving wide exposure to the study.

I am also thankful to librarian Dr. P. K. Tripathi and all library staff for their help in searching for material related to the research problem. I equally thank the teachers of the school. They were kind enough to offer full co-operation in the collection of adequate and precise data.

Thanks to all the interview participants, who gave me their precious time to enrich this study.

I would like to thank my classmates who were supportive throughout at RIE during the dissertation work.

I would like to thank my family members, especially my wife **Mrs. Neha Khare** who have supported me throughout this journey of studies at the institute. I express my deep sense of gratefulness to all those who helped me directly or indirectly for their support and constant help in completing my research work.

Hitesh
