## **ACKNOWLEDGEMENTS**

First and foremost I offer my sincerest gratitude to my guide Dr. N.C.Ojha, who has supported me throughout the project work with his patience and knowledge whilst allowing me the room to work in my own way. I attribute my master's level degree to his encouragement and effort and without him this thesis too, would not have been completed or written. I would like to remember his great effort and contribution for choosing this topic for my dissertation. One simply could not wish for a friendlier and more helpful Supervisor.

Furthermore, I would like to extend my sincere regards to Prof. N. C. Pradhan Former Principal, RIE, Bhopal and Dr. V. K. Kakaria, in-charge principal, RIE, Bhopal for their kind cooperation and giving valuable suggestions at the time of need.

I am very thankful to Prof. B. Ramesh Babu, DEAN, in-charge, RIE, Bhopal for providing inputs for my investigation.

I am very grateful to Dr. Sanjay Pandagle, Associate Professor, Department of Education, RIE, Bhopal for providing Research support, Technical support and bringing this step to this manuscript.

My sincere thanks to Professor Ratnamala Arya, Head of the Department, Department of Education, RIE, Bhopal for providing guidance and other official support for preparing report.

I am very much grateful to Dr. P. K. Tripathy, Deputy Librarian and other library staffs of library for providing reference material and reading support for preparing this dissertation.

Last but not the least my sincere thanks to all those who provided either direct or indirect support and help to complete this manuscript.

I am very much indebted to my parents, who provided me all sorts of financial and psychological support for my upbringing and developing academic career.
