Executive Summary

One of our flagship programmes is Internship in teaching programme for B.A.B.Ed., B.Sc.B.Ed. VII semester and 2 year B.Ed. III semester courses was organized after two years in physical mode. A total of 192 students were placed in KVs, JNVs and State Schools of Madhya Pradesh, Chhattisgarh and Maharashtra to gain the hands on experience of teaching profession.

Objectives of the programme are to provide the students the overall teaching experiences for their coming future. This programme also offers to look into the challenges and problems of real life classroom situations. It gives the opportunity to gain and experience the field of teaching from the ground reality.

Principal Conference was organized for interaction among students and principals of various Schools like Madhya Pradesh state board schools, Jawahar Navodaya Vidyalayas of western region and Kendriya Vidyalayas of Bhopal region.

The placement duration of this programme is 16 weeks for both B.Ed. course, B.Sc.B.Ed. and B.A.B.Ed. course. During this process students come to know their own strengths and weaknesses and they get ample opportunities to learn and strengthen their teaching-learning process.

Organization of Principal Conference

Specific Objectives:

- To orient principals and teachers of cooperating schools on the pedagogical approach, 5E model of lesson plan, writing of reflective diary, observation profile and evaluation profile adopted for internship programme.
- To orient principals and teachers of cooperating schools about their roles and responsibilities during internship programme.
- To orient the interns about the schools in which they will be placed and their expected role in the school.

Need and Justification:

One of our flagship programmes is Internship in teaching for B.A.B.Ed., B.Sc.B.Ed. VII semester and 2 year B.Ed III semester programme. Objectives of the programme are to provide students the overall teaching experiences for their coming future. This programme also offers to look into the challenges and problems of real life classroom situations. It gives the opportunity to gain and experience the field of teaching from the ground reality. Under this programme all the Principal's and Headmasters of different schools like State Board Schools, Kendriya Vidyalaya's and Jawahar Navodaya Vidyalaya's will be invited to interact with the students for the better understanding about internship in teaching programme.

About the Conference:

The one-day conference was organised on 20.09.2022 at PSSCIVE Auditorium in RIE, Bhopal. In which different activities were organized i.e. showcasing of model lessons in respective subjects, sharing of experiences in using observation, evaluation profiles, discussing co-curricular activities to be organized in school and group-wise discussions of interns with their allotted respective cooperating school principals and teachers, to share their experiences, to inform interns about the facilities available in schools and schools' expectations from the interns.

The conference provided a platform to the interns of the Institute for interaction with the principals of the schools where they were placed for their internship in teaching programme. It helped them to understand the expectations and different responsibilities which they had to performed during this period in school.
