## A C K N O W L E D G E M E N T

The present Investigation entitled "Pupils Perception of Classroom Learning Climate and Its Relationship with their Achievement Levels: A Study", is an effort, wherein knowledge and understanding gained regarding methods of educational research, statistical analysis etc., and the processes required in inquiry approach have been used for my initiation, in the learning on these aspects. I owe my gratitude to all the academic staff members of the Department of Education, Regional College of Education, Bhopal.

Dr.I.D.Gupta, Shri A.C. Pachouri and Dr.S.C.Pant deserve my grateful thanks for their encouragement, support and guidance in the selection of the problem, identification of related literature etc.

I owe my gratitude to Dr.P.K.Khanna, Principal, Regional College of Education for creating an educational environment in the college and providing facilities.

I also owe my gratitude to the library staff of the R.C.E., Bhopal for extending library facilities and helping in locating reference material.

Prof.B.R.Goyal guided me on the principles and procedures of educational research with exemplification for studying Classroom Learning Climate. His continuous moral support and love as an Indian teacher in different phases

quite helped me in developing faith and interest in research method on one hand and built capability in me for understanding the new ventures on the other. I owe to him my reverence and gratitude as person as also as his student.

I extend my thanks to the Headmasters/Headmistress, teachers and students of Demonstration Multi-purpose School, R.C.E., Bhopal, Anand Vihar Higher Secondary School, Bhopal and Lalitabai Murarka Girls High School and Hariram Bhut Adarsh Higher Secondary School Pulgaon (M.S.) for their co-operation in providing opportunities for data collection.

It is my moral duty to convey my gratitude to my family members particularly my father, mother and brother for their continuous support, help and encouragement in completing this work.

Lastly, I would like to thank Miss Anamika Shukla and Ku.Manjusha Palya for encouraging me to systematically follow the procedures laid down for writing Dissertation and my classmates were also a source of inspiration in this pursuit and deserve my sincere thanks.
