ACKNOWLEDGEMENTS

This is my pleasure and privilege to express my deepest gratitude to Dr. V.K.Jain lecturer in Education, RIE Bhopal, who guided me through his thought provoking suggestions and his inspired guidance have been encouraging and of great help in completion of the present work.

I am extremely grateful to Prof. P.K. Khanna, Principal RIE Bhopal, who very kindly admitted me in this course of study and provided all possible facilities for the successful completion of the work.

I am highly indebted to Dr. J.S. Grewal Head of deptt. of Education RIE Bhopal for his kind and symathetic attitude, valuable criticism and constant encouragement given to me throughout the progress of the investigation. I pay my sincere thanks to Dr. I.D. Gupta, Dr. N.D.Jain & Dr. Suniti Khare for their all time encouragement and help.

I am also thankful to Dr. A.C. Pachauri for his kind & timely help. I am thankful to library staff of RIE Bhopal for extending library facilities and helping in locating reference materials.

I am thankful to the Principal DIET, Shahdol, Principal and teacher who were kind enough to offer me full co-operation in the collection of data I am also thankful to the students of various institution who have been the subject in the study.

Above all I owe my sincere and moral gratitude to my parents and others family members for being perinial source of inspiration to me . Also I am thankful to my friend Ms. Neelam Rana, Mr. Vijay Jain & Mr. Mukesh S. for their kind help.

Thanks

Ranjana Tiwari

Chapter-1	Introduction	1 - 16
	A) Background of the Study	
	B) Statement of the problem	
	C) Exposition of theory underlying the investigation	
	(a) Personality some theoretical consideration Triat approach	
	(b) questionnaire approach to testing	
	i) Unidimensional approach	
	ii) Multidimensional approach	
	iii) Multi Variate approach	
	iv) Cattell approach	
	D) Purpose of the present study	
	E) Hypothesis	
	F) Delimitation	
	G) Implication of the present study	
Chapter-2	A Brief Survey of Related Literature	17 - 3
Chapter-3	Design of the study	37 - 4
	a) Sample	
	b) Tools & Technique	
	c) Collection of data	
	d) Statistical procedure	

.....

Chapter-4	Analysis of data and Result	
	a) Tables	46 - 5
	b) Result	62 - 7
	c) Discussion	72 - 7
Chapter-5	Summary and conclusion	56 - 6
	a) Restatement of the problem	
	b) Description of procedures	
	c) Principal findings and conclusion	
	d) Suggestion for further studies	
BIBLIOGRAPHY		80
APPENDIX		

LIST OF TABLES

- 3.1 List of the School from Bhopal
- 3.2 List of the School from Shahdol
- 3.3 Brief description of the fourteen HSPQ Personality Factors.
- 4.1 Mean Scores standard deviation and percentage of different groups in Mathematics.
- 4.2 Difference between Rural Students and Urban students
- 4.3 Difference between male and Female
- 4.4 Analysis of Variance among group on Achievement scores
 - (a) Difference between rural girls and urban boys
 - (b) Difference between Urban girls and Urban boys.
 - (c) Difference between Rural girls and Rural boys
 - (d) Difference between Rural Girls and Urban girls
 - (e) Difference between Rural girls and Urban boys
 - (f) Difference between Rural boys & Urban girls
- 4.5 Showing product moment co-efficient of correlation between the HSPQ Scores & Total Marks in Maths of (Rural girls)
- 4.6 Showing product moment co-efficient of Correlation between the HSPQ Scores & Total Marks in Maths of Rural boys.
- 4.7 Showing product moment co-efficient of coorelation between the HSPQ Scores & Total Marks in Maths of Urban girls.
- 4.8 Showing product moment co-efficient of correlation between the HSPQ Scores & total marks in Maths of urban boys.
- 4.9 Mean Scores of Urban boys and Urban girls on HSPQ
- 4.10 Mean Scores of Rural boys and Rural girls on HSPQ
