ACKNOWLEDGEMENT

First and above all, I praise God, the Almighty for providing me this opportunity and granting me the capability to proceed successfully. This study appears in its current form due to the assistance and guidance of several people. I will therefore, like to offer my sincere thanks to all of them.

This dissertation is the end of my journey in completing my M Ed. Program. I have not travelled in a vacuum in this journey. This dissertation has been possible to complete only because of the faith, support, and encouragement of numerous people including my well-wishers, my friends, colleagues and my institution where I am a student. At the end of my dissertation I would like to thank everyone who made this dissertation possible. It is a pleasant task to express my thanks to all those who contribute in many ways to the success of this study and made it an unforgettable experience for me.

At this moment of accomplishment, first of all I would like to express my deepest gratitude to my guide, Dr. Saurabh kumar Mishra for his guidance, caring, patience, and providing me with an excellent atmosphere here for writing my dissertation. I would like to thank Sir, from the bottom of my heart, who always made me believe everything dwells in our mind, think positive and work on it and you will see you have done it.

I owe my thanks to Dr Saurabh kumar Mishra , who made me learn how to think critically and think what is actually to be thought.

I extend my sincere thanks to the Holicross school management, Daffodils school management, Convent of DPS and Kalibadi Vidhyalaya management, Principals of the respective Schools and their Hindi teachers and my co-teachers for providing conducive environment to conduct the study in the school.

I sincerely thank the experts, Mr. Ishwar sahu, Hindi teacher of Raipur Higher Secondary School and Mr. p.k. yadav for their support while constructing the tools for the study. I am indebted to the students who all participated and supported me to complete my study and provided me a stimulating and fun-filled environment.

I thank my batch mates, for their encouragement and support.

Interdependence is certainly more valuable than independence. This dissertation is the result of Dr. Saurabh kumar mishra who were always there when I really needed. Thank you doesn't seem sufficient but it is said with appreciation and respect to both of them for their support, encouragement, care, understanding and precious mentoring. I am much indebted to Saurabh kumar Mishra Sir for his valuable advice in my work, spending his precious times to read this dissertation and gave his valuable suggestions.

Last but not least, I would like to pay high regards to my Wife, Ms. Rukhmani kurre for his continuous motivation, moral support and encouragement, my daughter Ms. Kiran kurre and son Kishan kumar kurre who always made things easy for me, sincere encouragement and inspiration throughout my studying. I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this study.
