**DECLARATION**

I do hereby declare that this study entitled "*Effectiveness of Instructional Strategy for Teaching Chemistry to VII Standard*", during the academic year 2013-14 has been undertaken by me in partial fulfillment of requirement for the degree of Master of Education M.Ed(RIE) of Barkatullah University of Bhopal (M.P).

This study has been conducted under the guidance and supervision of **Dr N.C Ojha** Asst. Professor of Education, RIE, Bhopal.

I, also, declare that this dissertation has not been submitted before either by me or by any other for the award of any other degree or diploma in any University.

**Place:** Bhopal

**Date:** 12.5.2014

## CERTIFICATE

This is to certify that **Ms. Sumbul Khalil**, as student of M.Ed. (RIE), Bhopal in the academic year 2013-14 has worked under my guidance.

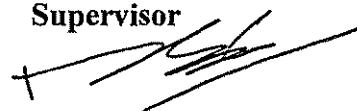

Her dissertation entitled “**Effectiveness of Instructional Strategy for Teaching Chemistry to VII Standard**”, is original and worthy of presentation in partial fulfillment of requirement for the degree of Master of Education M.Ed. (RIE) of Barkatullah University of Bhopal (M.P).

The present study is the outcome of her sincere efforts and dissertation is fit for submission.

Place: Bhopal

Date: 12.5.2014

## ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to my supervisor, **Dr N.C Ojha**, Asst. Professor of Education, RIE, Bhopal, who helped me in execution of this study. I thank him for his valuable advice, continuous help, inspiring guidance, encouragement and supervision, in the completion of the study. I owe the gratitude and regards for his generosity.

I am indebted and express my gratitude to the Principal, Prof. H.K. Senapaty, Prof. Reeta Sharma, Dean of Instructions, Prof. B. Ramesh Babu, HOD Education and all other staff members of the Department of Education, RIE Bhopal for providing the learning environment in the Institute.

I am also grateful to the Library Staff members for their help in providing me the necessary study materials.

My sincere gratitude to the In- charge of Psychology Department of RIE, Bhopal, Dr. Suniti Khare, for providing me the measuring tools for the study.

I express my heartfelt thanks to the Principal, staff members and students of M.S.B. Educational Institute, Bhopal for their cooperation in conducting experiment in the school.

I am also thankful to all my classmates who remained a source of inspiration to me at all times for completion of this work.

Above all, I owe my sincere gratitude to my parents, sister, and friends who have been a source of encouragement in every walk of life throughout the year.
