ACKNOWLEDGEMENT

I take this opportunity to express my great gratitude to my guide Dr. Mrs Avinash Grewal for her valuable advice, continuous help, inspiring guidance and encouragement in the completion of the study.

I dedicate this study to Late Dr. I. D. Gupta who helped and guided me in the initial stages of my study.

I am thankful to Dr. G. K. Jhiri, Principal, Regional Institute of Education, Bhopal at the time of my joining the M. Ed. course, for providing academic enrichment and facilities in the institute.

It is my great pleasure to express my gratitude to my principal Dr. S. A. shaffi for kindly providing the necessary facilities for undertaking the dissertation work.

I am indebted to Dean shri B. N. Rawat, Prof. M. Sen Gupta Dr. S. K. Gupta, Dr. (Mrs) Suniti Khare and Shri A. C. Pachaury for their affectionate care and timely suggestions.

I am also thankful to the library staff of the institute for extending facilities and helping in locating reference material related to the study.

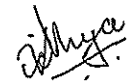

I am also thankful to principal and teachers of Demonstration Multipurpose school where I conducted the study for their co - operation in the collection of precise and adequate data.

I thank the students of Demonstration Multipurpose school who sincerely participated in the study.

I also thank my classmates who were a source of inspiration to me in this pursuit.

Above all I owe my sincere gratitude to my mother and other family members for being a perennial source of inspiration to me.
