ACKNOWLEDGEMENT

First and foremost, praises and thanks to the God, the Almighty, for His showers of blessings throughout my research work to complete the research successfully.

I would like to express my deep and sincere gratitude to my research supervisor, **Dr. N.C. Ojha., Associate Professor, Department of Education, Regional Institute of Education, Bhopal** for giving me the opportunity to do research and providing invaluable guidance throughout this research. His dynamism, vision, sincerity and motivation have deeply inspired me. He has taught me the methodology to carry out the research and to present the research work as clearly as possible. It was a great honor and privilege to work and study under his guidance. I am extremely grateful for what he has offered me. I would also like to thank him for his friendly behavior, empathy and great sense of humor. I am extending my heartfelt thanks to his wife, family for their acceptance and patience during the discussion I had with him on research work and thesis preparation.

I would like to thank **Dr. Nityananda Pradhan, Former Principal, R.I.E, Bhopal** for his support and help throughout the research work and also grateful to **Principal in Charge Dr. V. K. Kakaria** for continuing that support and guidance.

I am very much thankful to **Prof. Ramesh Babu, Dean Research, R.I.E, Bhopal** for providing help and support for my Research. My sincere thanks to **Prof. Ratnamala Arya, Head, Department of education, R.I.E, Bhopal** for providing guidance and other official support for providing guidance and other official support for preparing the report. I am very much grateful to my teachers **Dr. S.K. Pandagle, and Dr. Saurabh Kumar** for providing Research support, technical support to this manuscript.

I am very much thankful to **P.K. Tripathi, Deputy Librarian** and other library staffs of R.I.E., Bhopal for providing reference, material, support for preparing this desertation.

I am extremely grateful to my parents for their love, prayers, caring and sacrifices for educating and preparing me for my future. I am very much thankful to my sisters and brothers for their support and prayers. My special thanks goes to my friends and classmates for their immense support and help to complete this thesis successfully.

Last but not the least my sincere thanks to all those who provided either direct or indirect support or help to complete this manuscript.
