ACKNOWLEDGEMENT

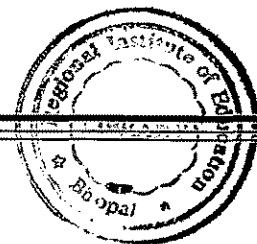

I wish to express my gratitude to Dr. S.K. Gupta, Reader in Education, Regional Institute of Education, Bhopal for his continuous guidance and encouragement which has led me to plan and complete this dissertation. His intellectual suggestions and creative ideas helped me to complete this work successfully.

I express my indebtedness to Prof. S.A. Shaffi, Principal, R.I.E., Bhopal for providing suitable environment and facilities in the institute and opportunity to learn multidimensionally by availing them.

I owe a debt to Prof. (Mrs.) A. Grewal, Dean of Instruction & Head of the Department in Education, R.I.E., Bhopal, for her valuable advice, continuous help, inspiring guidance, encouragement and affectionate care in completion of this study.

I take this opportunity to express my deep and sincere gratitude to Dr. G.N. Prakash Shrivastava, Reader in Education, R.I.E., Bhopal, for his motivating encouragement that inspired me to work energetically and potentially even in the most stressful situations and his efforts in trying to imbibe his own patent quality of dedication and hard work in me.

My gratefulness extends to Dr. U.L. Narayanan, Reader in Education, M.Ed. incharge, R.I.E., Bhopal for his expertly and untiringly help in making sense of the figures in the data collected for this study.

I am grateful to all the faculty members of Department of Education, R.I.E., Bhopal for their help and cooperation.

I will fail in my duty, if I do not acknowledge the cooperation from Mr. P.K. Tripathy, Librarian, and his staff members.

I dedicate this work to my parents, who taught me the value of hard work, stood besides me in all the ups and downs and enabled me to complete this work by showering their blessings.

I also express my thanks to Jyotsna Shukla and Rashmi Kaushal, my classmates for their support and cooperation.

I need to express my sincerest thanks to my husband (Mr. Tarun) who has encouraged and inspired me to work hard even in the most stressful situations and providing all emotional and material support.
