ACKNOWLEDGEMENT

Although, I have given my best efforts on this project; however, it was not possible without the kind support and help of many individuals. I would like to extend my sincere thanks to all of them.

I am highly indebted to my supervisor **Prof. B. Ramesh Babu**, Department of Education, Regional Institute of education Bhopal (M.P.) for his constant supervision as well as for providing intellectual suggestions and facilities during my dissertation work which brought my dissertation in the present form successfully. He has really been an inaccessible mind of knowledge and information. His unique guidance, uninterrupted help, constant and timely supervision made me able to produce this research in time.

I am deeply indebted to **Prof. N. Pradhan**, Former Principal, Regional Institute of Education, Bhopal, for his kind cooperation and giving valuable suggestions at the time of need. I am also grateful to **Prof. V. K. Kakaria**, Principal-In-Charge, Regional Institute of Education, Bhopal, for giving me the opportunity to do and complete my dissertation.

I express my deep thanks to **Prof. Ratnamala Arya**, Head, Department of Education, for providing permission and departmental facility for my dissertation work.

I owe deep sense of gratitude to **Mr. Sanjay Kumar Sen**, Ph.D. scholar at Delhi University, for his guidance and support during the starting of research work. His advices has helped a lot to give a conceptual shape to the Study.

I would also acknowledge the kind support and cooperation of the principals, coordinators and biology teachers of the Mahamaya Higher Secondary School, Jawahar Navodaya Vidyalaya, Nuapada, and Odisha Adarsh Vidyalaya, Nuapada, during data collection without whom the study would have been much more difficult task.

Above all, I am thankful to my family members, friends, seniors and teachers from other universities for giving me the required resources, strength and wisdom to accomplish the task.
