ACKNOWLEDGEMENT

First of all, I would like to thank God for showering endless grace and mercy during the toughest time in my life. I have no exact word to express my thanks to him.

I do express my immense thanks to **Prof. Jaydip Mandal**, Principal, RIE, Bhopal and **Prof. Ratnamala Arya**, Head, Department of Education for permitting me to carry out this research and his support and guidance during the period of this study.

It is a genuine pleasure to express my deep sense of gratitude to my research supervisor **Dr. Sanjay Kumar Pandagale**, Associate Professor, RIE Bhopal for his constant encouragement, kind support and invaluable guidance to carry out the work presented in this dissertation. He has been a great force and inspiration for me throughout the dissertation work.

I am thankful to **Prof. Ramesh Babu**, **Dr. N.C Ojha**, **Dr. Saurabh Kumar** as well as other faculty members of RIE for their advice and help for successful completion of the dissertation work.

I am also thankful to all administrators and teachers of two schools who directly and indirectly helped me in data collection and also thankful to all the students who participated generously in the study as without their cooperation and support this study would not have been completed.

My heartfelt gratitude to **Dr. P. K. Tripathy** for providing the library facilities which have in-depth resources in the form of books, journals, magazines, articles that helps me to exploit the full benefits and opportunities of the networked world.

I express my gratitude to my family members and relatives whose well wishes made my work easier and last but not the least I express my thanks to my friends for their encouragement and support throughout my work.
