ACKNOWLEDGMENT

I would first like to thank the supreme power by whose will I had got an opportunity to work under prolific and distinguished scholars in the field of education.

I would love to express my sincere and heartfelt gratitude to my supervisor and guide Prof. Ratnamala Arya for her constant support and encouragement she has provided during the course of my study. The doors to Prof. Ratnamala Arya's office were always open whenever I ran into a trouble or had confusions. She consistently allowed this study to be my own work and steered me in the right direction whenever she thought I needed it the most.

I would also like to thank **Prof. Jaydip Mandal**, principal of RIE Bhopal, for allowing me to do this work.

In this queue I would also like to thank my co supervisors **Dr. Deepti**, **Dr. Shivani Singh** for providing their various inputs and guidance throughout study and **Dr. M S Kariyappa** and **Dr. Sonal Sharma**, for providing their consistent support on the development of research proposal and data analysis.

Finally, I must express my very profound gratitude to my parents without their support I am zero, I shall always remain indebted to them and cannot imagine myself without their presence.

I would also like to acknowledge my friend Rajesh Kumar Sahoo, and seniors Shashank and Sudhanshu for being source of motivation and providing me with unfailing support and continuous encouragement throughout the study. This accomplishment would not have been possible without all of them.

Thank you.

Sunidhi Thakur
