Q.9   Suggest, in brief, as how ICTs can be effectively used in the following areas:

        (a) Organization of curricular activities

            ....

            ....

            ....

        (b) Teaching other curricular subjects than core subject

            ....

            ....

            ....

        (c) Development of personal social qualities of students

            ....

            ....

            ....

            ....

APPENDIX - B

Perception of Secondary School Students about Effectiveness of ICT use in

Teaching-Learning Process

(Interview Schedule for the students)

General Information

1.	Name of the student	
2.	School	
3.	Gender	
4.	Class	

Instruction:

1.   **Attempt all the questions carefully.**
2.   **Attempt all the questions honestly.**
3.   **Your answers will be kept completely secret, so do not hesitate to answer.**

Section –A

Q.1   What ICTs do your teachers use during classroom teaching?

    (a)...............................

    (b)...............................

    (c)...............................

Q.2   What ICTs are available in your school?

    (a)...............................

    (b)...............................

    (c)...............................

Q.3   Are the ICTs used by the teachers enough? Yes/No...............

If no, what more ICTs according to you should be used by teachers.

    (a)...............................

    (b)...............................

    (c)...............................

Q.4   Name the subject(s) in which teachers use ICTs.

    (a)...............................

    (b)...............................

    (c)...............................

Give your opinion about the usefulness of ICTs in classroom teaching?
    (a) Not useful
    (b) Useful
    (c) Very useful

Q.6   In which subject(s) teaching do you find the use of ICT to be more effective?

    (a)................................
    (b)...............................
    (c)...............................

Q.7   In which subjects(s) do you find the use of ICTs to be less effective?
    (a)................................
    (b)...............................
    (c)...............................

Q.8   Rate the efficiency of your teachers in the use of ICTs.
    (a) Not efficient
    (b) Efficient
    (c) Very efficient

Q.9   How do you like the use of ICTs in classroom teaching?
    (a) Not interesting
    (b) Interesting
    (c) Very interesting

Q.10   Do your teachers allow you to handle ICTs? Yes/No...............

Q.11   State the problems related to use of ICT in classroom teaching.

....

....

....

Q.12   Give your suggestion for the effective use of ICTs in Teaching Learning process

....

....

....

Section –B

Q.13   Do your teachers use ICTs in other activities than classroom teaching? Yes/No...........
    If yes, name the activities in which they use ICTs.
    (a)................................
    (b)............................... .
    (c)...............................

Q.14   Do your teachers use ICTs in the following areas?
    (a) Organization of curricular activities (e.g. physical, literacy, yoga etc.)
        Yes/No.............
        If yes, state in briefs.

    ....

    ....

    ....
